The candidates for township offices in Cunningham township have begun to make their announcements. The early bird gets the worm—sometimes.

Disease and danger lurk in the vital organs. The blood becomes vitiated, the general health is undermined whenever the stomach and liver fail to perform their functions as nature intended. Herbine will tone up the stomach, regulate the liver, where other preparations only relieve. Price, 50 cents. Sold by H. M. Sigloch, City drug store.

Tabler's Buckeye Pile Ointment has been thoroughly tested for many years, and is a positive cure for this most distressing and embarrassing of troubles. Price, 50 cents in bottles. Tubes, 75 cents. Sold by H. M. Sigloch, City drug store.

The Salisbury Charitonian advertises for a bright girl to learn to set type. Editor Woodruff realizes, perhaps, that "bright girls" are easier to find these days than "bright boys."

Those who believe sick headache to be incurable should read what Mrs. Florence Frasier of Lidgerwood, N. D., says about it: "Send me 50 cents worth of Krause's Headache Capsules. I have terrible sick headaches and that is the only medicine that cures me." Sold by H. M. Sigloch, City drug store.

A protracted meeting is being conducted at the Baptist hall in Brunswick by the pastor, Rev. Jas. Rider, and Rev. Wm. Watts of Huntsville. Much interest prevails and there have been between 20 and 30 accessions to the church.

Every household should be prepared for emergencies, for how often, "like a thief in the night," croup or whooping cough may come upon a dear child without warning and in a few hours place its sweet life in the balance by a slender thread. Lichty's Cough Cure promptly used will avert all danger. Sold by H. M. Sigloch, City drug store.

If you would have an appetite like a bear and a relish for your meals take Chamberlain's Stomach and Liver Tablets. They correct disorders of the stomach and regulate the liver and bowels. Price, 25 cent Samples free. For sale by H. M. Sigloch, City drug store.

The Dalton News thinks it is high time the scrappers and scotch the law in that village. You pulled, and doubtless everybody agrees with the News except those who fracture the laws and hold high carnival.

Praise the bridge that carries you over either a flood or cough. Ballard's Horehound syrup has brought so many over throat and lung troubles, such as coughs, colds, bronchitis, etc., that its praises are sung everywhere. Price, 25 and 50 cents. Sold by H. M. Sigloch, City drug store.

We very much fear that Prof. John Krigbaum, the weather prophet who lives at Keytesville station, has forever blighted his prospects of getting married again. He admitted to the News man while in Dalton one day last week that he was in his 76th year.

An attractive woman thrives on good food and sunshine, with plenty of exercise in the open air. Her form glows with health and her face blooms with its beauty. When some men are spoken of as Hon. So-and-So we feel like having an extra clasp put on our pocket-book. There may be honor among thieves, but it doesn't exist in the make-up of a few men we know who are sometimes alluded to by the title of "Hon."

A young man in the southern part of the state advertised under an assumed name for a wife. His sister answered the advertisement also under an assumed name, and they exchanged photographs. Now the old folks are disgusted to think there are two such fools in the same family.

The State Teachers' association will hold its 39th session in Jefferson City Dec. 26-28. The program is most excellent, the railroads give one fare for round-trip and the citizens of Jefferson City will open their homes to the teachers. There have been nearly 1,000 teachers present each of the last three sessions. It is confidently expected that more will attend this year. Good board in private families can be had at \$1 per day.

My entire stock of children's stitched and plain hats at greatly reduced prices. You will have to see them to appreciate them.

MRS. C. P. VANDIVER.

Several Sumner boys were arrested by Marshal Geo. Berry one day last week for jumping on and off of moving trains. The offenders were fined \$1 each, and costs when taken before the mayor. This wholesome example should be followed by other towns that are similarly afflicted with "train jumpers."

Lichty's Cough Cure is an established remedy with known merit, made on scientific principles by experienced chemists. For croup, whooping cough and colds Lichty's Cough Cure is invaluable. 25 and 50 cent bottles. Sold by H. M. Sigloch, City drug store.

We see by the Sumner Star that G. M. Brown, a prominent farmer of near Sumner, was thrown out of his wagon and suffered the fracture of two ribs and other injuries Wednesday by reason of his team running away. Dr. Hardy attended to his injuries and Mr. Brown is reported as doing as well as could be expected.

No one can reasonably hope for good health unless his bowels move once each day. When this is not attended to, disorders of the stomach arise, biliousness, headache, dyspepsia and piles soon follow. If you wish to avoid these ailments, keep your bowels regular by taking Chamberlain's Stomach and Liver Tablets when required. They are so easy to take and mild and gentle in effect. For sale by H. M. Sigloch, City drug store.

E. T. Miller is attending to legal business at Keytesville this week.—Brunswick. We believe you are mistaken, Brother Walden. Ed's trip to Keytesville last week would hardly come under the head of "legal business," but would be more properly placed in the category of "social pleasure." At least such was the case when we saw him, as he was basking in the sweet and sunny smiles of a beautiful young lady.

The house has passed the army bill, but has stricken out the staff features which constituted practically its only good feature. The influence of the bureau chiefs was too strong to be overcome. However, the senate now has a chance at the bill and will certainly put the reform sections back. What the ultimate result will be, remains to be seen.

How to Cure Croup.

Mr. R. Gray, who lives near Amelia, Duchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by H. M. Sigloch, City drug store.

A Brunswick young man, whose wearing apparel had been donated by some young ladies, has been having all sorts of queer feelings, and the local physicians have, as yet, been unable to make a satisfactory diagnosis of the case. The young man has desires ranging all the way from taking in washing to marrying a millionaire. It is feared that his delusions are incurable. This should serve as a fearful warning to Brunswick young ladies to wear their own clothes hereafter.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years to our knowledge not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by H. M. Sigloch, City drug store.

What Shall We Have for Dessert?

This question arises in the family every day. Let us answer it to-day. Try Jell-O, a delicious dessert. Prepared in two minutes. No baking. Add hot water and let it cool. Flavors—lemon, orange, raspberry and strawberry. At your grocers, 10 cts.

F. M. Smith, the successful swine-breeder of near Mike, was a pleasant and substantial caller at the COURIER office last Friday. Mr. Smith had been advertising his celebrated Valley View herd of Poland-China swine in the COURIER, and we are pleased to know that the advertisement had the desired effect—in fact, more than the desired effect, as the demand, created by the advertisement, was in excess of the supply of Mr. Smith's surplus porkers. Among those in this vicinity who made deals with Mr. Smith for some of his fine hogs were James F. Taylor and Al Harding, both of whom are good judges of superior stock of all kinds. Mr. Taylor bought a male and female and Mr. Harding a male.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by H. M. Sigloch, City drug store.

From the figures given in last week's Dalton News, it is quite probable that more stock are being fed in the vicinity of Dalton this season than in any portion of Chariton county covering the same amount of territory. Henry C. Noll is feeding 75 head of hogs and will add to his bunch of porkers 50 head of cattle and 50 more hogs in a week or two; Frank E. Herring is feeding two car loads of cattle and 40 or 50 head of hogs; J. W. Tinsley is feeding 150 head of cattle and 300 head of hogs; Wm. Goll is making a feed of 35 head of cattle and roughing 100 head more through the winter; Frank Kalinka is feeding two car loads, each, of cattle and hogs; D. W. Bayne is feeding two car loads of cattle and about 40 head of hogs.
